

## **PAPRIKA FESTIVAL – BOARD OF DIRECTORS**

Paprika Festival is looking for volunteers interested in joining the Board of Directors. We seek people who love theatre and are committed to helping young artists develop their craft within a supportive, inclusive and empowering environment.

### **TERM**

Directors serve one-year terms. However, it is expected that directors commit to a minimum of two years.

### **ABOUT US**

Paprika Festival is a youth-led professional performing arts organization, which runs year-round training and mentorship programs. The program culminates in a performing arts festival showcasing new works by young artists.

The Board's main responsibilities include supporting the executive and artistic leadership in an advisory capacity, fundraising on behalf of the festival, providing legal and financial oversight of the organization, promoting the festival, and performing community outreach.

Board members are expected to attend regularly scheduled board meetings (about 6 per year) and to assist with committee work according to their interests and skills. Board members are expected to participate in fundraising activities.

At this time we are seeking applications from people with experience in the following areas: fundraising, accounting, community engagement, and communications. We are also interested in individuals who live or work in Regent Park. However, we are always looking for committed, active champions of our festival and encourage those with experience in other areas to apply as well.

Above all, we want the Board to reflect the community we serve. We are an equal opportunity organization and strongly encourage applicants of any race, colour, religion, sex, sexual orientation, gender identity, national origin, or disability status.

### **HOW TO APPLY**

Please submit your resume with a brief explanation of why you are interested in joining the Board of Directors to [recruitment@paprikafestival.com](mailto:recruitment@paprikafestival.com) (Attn: Nominating Committee). Resumes will be reviewed on a rolling basis, beginning February 17, 2017.
